

# STAY CONNECTED

FIRST EDITION

SPRING 2024

THE DCC PROPANE FAMILY OF BRANDS:

Hello!

Hello and Welcome to our bi-annual newsletter!

We're delighted to provide you with this new resource filled with seasonal advice, money-saving tips and helpful information on how your local provider can help you **get the most out of your propane service!**

## SEE IF YOU CAN SAVE HUNDREDS OF \$\$\$ WITH REBATES AND INCENTIVES

**DID YOU KNOW...** There are many rebates and money-saving incentives available to you from the government and manufacturers!

Propane appliances are a smart, economical choice for your home and with the incentives available to offset the costs of new appliances, they're an even smarter choice!

Some state governments provide tax credits, rebates, grants, and other incentives for propane projects & appliances. The Propane Education & Research Council is a national non-profit whose website includes several great interactive tools for finding those savings specifically for where you live!

There are 2 maps, one showing appliance rebates, and the other shows tax credits, rebates, grants, and other incentives. Visit <https://propane.com/about/incentive-programs/residential-appliance-rebates/> to find details about what's available in YOUR area and **start saving today!**

## SPREAD THE COST OF YOUR PROPANE OVER 12 EQUAL MONTHLY PAYMENTS

Have you heard about our new Premium Propane Delivery Plans that can allow you to spread the annual cost of your propane over 12 equal monthly payments? Learn how these plans can help simplify your life by taking the hassle out of managing your propane supply. Join the thousands of customers who've already made the switch and are enjoying the benefits.

“Being on a fixed income, it's nice to not have a great big bill at once. I don't have to worry about how to come up with the whole amount. And I don't have to worry about when I need to pay a bill, its worry free. I'm thrilled I can have a warm house now with ease.”

Nancy S., United Propane Gas customer

“We immediately recognized several advantages, including a tank monitor to track our usage from the office. This guarantees that we will have propane year-round with no concerns of running out at bad times like in the middle of a blizzard! What I especially like is that we make consistent, monthly, automatic payments instead of making large payments 2- 3 times per year. We appreciate that in our retirement years but, of course, that is important no matter what season of life one is in! The icing on the cake is that Propane Central will paint our tank this summer!”

Shelly & Calvin C., Propane Central customers

# EASY MONEY... SIMPLY SPREAD THE WORD

Our **Refer-a-Friend Program** is a WIN-WIN when you tell your friends and family about the benefits of joining the DCC Propane family of companies.

For **each** friend that signs up for qualifying service, you'll earn a cash credit on your account, and they'll get great prices and service. So, you'll both reap the benefits of sharing! And there's no limit to the number of credits you can receive.

Contact your local office to find out more!

# ARE YOU TAKING ADVANTAGE OF ALL OUR SERVICES?

In addition to propane delivery and service, some of our locations offer these additional services:

|                        |                       |
|------------------------|-----------------------|
| HVAC                   | Connecticut           |
| Tankless Water Heaters | Connecticut, Illinois |
| Water Treatment        | Illinois, Indiana     |

Check with your local provider to learn more!

## HELPING TO BUILD A CLEANER FUTURE

# PROPANE-POWERED SCHOOL BUSES KEEP KIDS HEALTHY & SAFE

The future is here today: Clean, Reliable, Cost-Effective transportation for our kids!

Propane-powered school buses are better for the environment AND the budgets of our school districts. They produce up to 96% less toxic emissions than diesel buses, and fuel costs can be up to 50% lower than diesel.

Cleaner air, a quieter ride, and reliability in all kinds of weather, coupled with significant cost-savings in fuel and maintenance means propane-powered buses offer a big win for our kids!

## CARING & COMMITTED: SERVING OUR COMMUNITIES

Whether at work or during time off, our employees are dedicated to serving others. We're extremely proud of the commitment our team members have to making an IMPACT on the lives of others - our customers and our communities. From packing meals to feeding the hungry, gathering much-needed relief supplies after a natural disaster, or even lending a hand at a road-side rescue effort, you can count on us to help.

## GRILLING RECIPE

# HONEY SRIRACHA PORK TENDERLOIN

EatWell101.com

### INGREDIENTS

- 2 pork tenderloins
- 1 tablespoon olive oil, to sear

### SPICE RUB MIX

- 1 teaspoon each of sweet paprika, garlic powder
- 1/2 teaspoon each of onion powder, dried thyme, dried rosemary
- Salt and fresh ground pepper, to taste

### MARINADE

- 1/4 cup honey
- 3 tablespoons soy sauce or coconut amino
- 4 cloves garlic, minced
- 1 tablespoon each of olive oil, Sriracha (or any hot sauce), dijon mustard

### DIRECTIONS:

1. Mix all spices ingredients together. Pat dry the tenderloins, then rub in the spice mix.
2. Whisk together all ingredient of marinade, then set 1/2- 1/3rd of it aside for serving.
3. Preheat grill – one side to high, the other to medium. (This step can be done on stovetop if preferred or if you only have one temperature for grill). On the hot side, put 1 tbsp olive oil in cast iron pan. Heat on high until smoking, then sear tenderloins, approximately 3-5 mins each side.
4. On grill preheated to medium, and oil the grates. Transfer pork to the grill, close lid and cook approx. 15-20 minutes, or until internal temperature reaches 145 degrees F, turning every few minutes to ensure even cooking. Brush reserved marinade over all sides of the pork halfway through grilling.
5. Transfer to a cutting board to rest for 5-10 minutes, covered in foil, before slicing and serving.
6. Serve garnished with fresh rosemary and orange slices, along with the additional marinade.

ALWAYS BE MINDFUL OF SAFETY WHILE GRILLING. PAY ATTENTION TO LOCATION, CLEAN AFTER USE, AND NEVER LEAVE YOUR GRILL UNATTENDED!
